CHAT BOARD®

BUZZIFELT

CHAT BOARD® BuzziFelt is our wall-mounted, magnetic, felt-covered pinboard. Made with 6 mm 100% recycled PET felt it is also a sound-dampening panel, making it the ideal companion for other wall-mounted boards in the collection. Combined with CHAT BOARD magnetic glass boards, these felt-covered panels can help turn any office wall into an ultra-functional, multi-textured and dynamic surface.

BuzziFelt can be mounted both horizontally and vertically on the wall and is available in 9 standard sizes and 3 standard colours. In addition, it can be made to order in bespoke sizes, shapes and colours.

Please contact our head office with any special requests: info@chat-board.dk
