CHAT BOARD®

DOCK

CHAT BOARD® Dock combines utility and good looks in one pleasingly petite and flawlessly formed package.

Impeccably neat and tidy by nature, it keeps the everyday essentials in perfect order, housing your CHAT BOARD pens and cleaner spray in a designated safe space, specially designed for its intended occupants.

Delightfully different from the rest, Dock comes with a built-in, magnetic eraser that is seamlessly integrated into the softly sophisticated shape of the main unit.

The Dock storage unit and the accompanying eraser are both magnetic and can be attached to any CHAT BOARD glass surface. Dock is manufactured from injection moulded ABS with a soft matt finish, and it is available in three universally matchable colours.

Dock is designed by Mikkel Bahr, Friis & Moltke Architects.

DOCK
