CHAT BOARD®

ORBIT

CHAT BOARD® Orbit is a playful and slightly less formal interpretation of the magnetic and writable glass board. The strong geometrical shape of the perfect circle offers the ideal starting point for getting truly creative with fun, yet functional wall compositions in professional and domestic settings.

Orbit is dressed in a choice of fresh CHAT BOARD colours and, along with three complementary sizes, the collection offers countless ways of creating combinations that add that perfectly personalised dimension to your space.

CHAT BOARD Orbit is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth, rounded C-edges. It is available in 3 standard sizes, 7 standard colours, and 2 glass finishes. In addition, it can be made to order in other CHAT BOARD colours or bespoke standard RAL and NCS glass colours.
