

BUZZIFELT

embracing creative dialogue

CHAT BOARD® BuzziFelt is our wall-mounted, magnetic, felt-covered pinboard. Made with 6 mm 100% recycled P.E.T. felt it is also a sound-dampening panel, making it the ideal companion for our wall-mounted glass boards. Combined with i.e. CHAT BOARD® Classic these felt-covered panels can help turn any office wall into an ultra functional, multi-textured and dynamic surface.

CHAT BOARD® BuzziFelt can be mounted both horizontally and vertically on the wall and is available in 14 standard sizes and 5 standard colours. In addition, it can be made to order in bespoke sizes, shapes and colours.
